

Eiriolaeth Proffesiynol Annibynnol 3 Sir
3 County Independent Professional Advocacy

What is an independent professional advocate?

An independent professional advocate is trained and paid to undertake their professional role as an advocate.

An advocate supports you to make sure your rights are respected and that your views and wishes are listened to.

An advocate will help you explore and understand your options and support you in the choices that you make. An advocate will ensure that you are fully involved in the decision that effect you

Can I be supported by an Independent Professional Advocate?

You can access the 3 county Independent Professional Advocacy Service (3CIPA) if:

You live in Carmarthenshire, Ceredigion or Pembrokeshire.

You are over 18 years old.

You have social care and support needs **OR** care for someone with support needs.

AND

Your support needs are being assessed, you are undergoing care & support planning,

your care plan is being reviewed, or you have a safeguarding enquiry.

AND

There are barriers that stop you from getting your voice heard or from participating fully.

AND

You do not have anyone else who you would want to advocate for you.
